DAYS 2 <> AT SEA <> Full day at sea to enjoy the many amenities aboard the *Grand Princess*. The many activities onboard are designed to stimulate, educate, entertain, inspire and sweat - not necessarily in that order.

DAY 3 <> ASTORIA, OR <> As the oldest American settlement west of the Rockies, Astoria offers a rich history for your exploration. It was first visited by Captain Robert Gray in 1792, by the Lewis & Clark Corps of Discovery in 1805, then adventuresome pioneers by the thousands. Now its your turn to experience the excitement of exploring Astoria. Within a 20 mile radius, one can see dozens of exciting attractions including Fort Stevens State Park, Fort

Astoria, Heritage Center Museum, Flavel House Museum, Uppertown Fire Fighters Museum, Astoria Column and the Columbia River Maritime Museum, home to one of the nation's finest displays of model ships and nautical artifacts. Astoria offers other fun discoveries, such as historic Victorian homes and the beautiful 4.1 mile-long Astoria Bridge.

DAY 4 <> SEATTLE, WA <> Seattle is a young city with a rich history. Settlers first landed at Alki Point in 1851 and named the area after Sealth, the Suquamish Indian chief who befriended them. Rebuilt after the Great Fire of 1889, "The Emerald City" has a legacy of vision and strength. Seattle has hosted two World's Fairs (1909 and 1962) and is the birthplace of two modern marvels, Boeing and Microsoft. Known for its rainy climate, Seattle actually averages less annual rainfall than many East Coast cities. The mild weather, spectacular natural surroundings and rich cultural diversity attract visitors from around the world.

DAY 5 <> VANCOUVER, BC <> It seems unlikely that a character named "Gassy Jack" Deighton would be responsible for one of the most beautiful cities on the continent. But that's history for you. During the gold rush, Gassy Jack saw a chance to make money from the hordes of

miners on their way to the Yukon. The saloon he built became the focus of the shanty town known as Gastown. From that ragtag group of shacks, modern Vancouver was born. The provincial government persuaded settlers to change the name of the town to Vancouver, after Captain George Vancouver, who sailed the region's waters in 1792. Canada's third-largest city, Vancouver is a cosmopolitan place with a European feel and a personality all its own. It's a community with a rich ethnic mix - including the second-largest Chinatown in North America - and stunningly beautiful parks.

DAYS 6 <> VICTORIA, BC <> Victoria exudes old-world charm and fragrant and colorful flowers are everywhere. Founded in 1843 by James Douglas of the Hudson's Bay Company, the city was first known as Fort Victoria. By 1848, Vancouver Island was a British colony and Victoria was its capital.

In 1858, Victoria was a tent city and the base for some 25,000 prospectors on their way to the Fraser River gold fields. When Vancouver Island was incorporated with mainland British Columbia in 1868, Victoria became the capital of the entire province. Although it's a port city, Victoria is not as industrially oriented as Vancouver. The harbors, especially Inner Harbour, are dotted with pleasure craft, ferries and floatplanes. The city is renowned for its beautiful gardens, charming houses and very British feel.

DAY 7 <> AT SEA <> A full day at sea before returning home.

DAY 8 <> SAN FRANCISCO <> Early this morning you will arrive back in San Francisco. After breakfast on board, you will disembark and return home with warm memories of enchanting times spent with newly acquired friends!

WELCOME HOME!
